

**ATTACHMENT I  
POWER GENERATION TECHNOLOGIES  
STANDARD TERMS AND CONDITIONS**

***Purchase Orders / Contracts***

A purchase order or contract must be received prior to initiation of work or mobilization of Power Generation Technologies (PGT) personnel and equipment. Please issue all purchase orders and contracts to:

Power Generation Technologies  
A Division of Environmental Systems Corporation  
200 Tech Center Drive  
Knoxville, TN 37912

This quotation is valid for 60 days from the date of issue.

***Schedule***

PGT specializes in meeting the demanding and dynamic schedules of our Clients. PGT can normally initiate projects and mobilize personnel and equipment with minimal advance notice. Specific schedule requirements should be negotiated prior to contract award.

Postponement or cancellation of scheduled work can result in additional charges for services that have been performed in preparation for the scheduled work. This may include charges for engineering services; travel and other expenses; and equipment preparation, calibration, shipping, and rental. These charges will be assessed using the rate structures provided within the quotation and/or PGT's standard rate structure.

***Payment Terms***

For project work that is bid on a task or milestone basis, PGT will submit monthly invoices for the work performed during that month on a percent complete basis. Additionally, upon final completion of a task or milestone, PGT will submit an invoice for the balance of the lump sum amount associated with that task. For work that is bid on a T&M or rate basis, PGT will submit invoices for the work as performed. The invoice will be due and payable within 30 days from the date of the invoice. Unless specifically stated otherwise, all proposed prices are exclusive of taxes, duties, etc. Charges for any applicable taxes, duties, etc. will be added to each invoice.

***Test Personnel***

PGT reserves the right to switch out personnel after three weeks on site at the expense of the Client. PGT will notify the appropriate Client contact prior to switching personnel.

PGT personnel are limited to working an average of 12 hours per day while on-site. Should extended time on-site be required, it will be billed at the following time and materials rates.
